

## **Attention CABL Drivers and Passengers:**

Federal law requires wearing a mask while on the conveyance and failure to comply may result in denial of boarding or removal.

Refusing to wear a mask is a violation of federal law; passengers may be subject to penalties under federal law and will be denied of boarding the vehicle or disembarked as soon as possible. Individuals who fail to comply will be reported to the Transportation Security Operations Center in accordance with federal law.

A mask means a material covering the nose and mouth and excludes face shields.

Passengers will be notified when booking transportation and when boarding.

Exemptions are made for children under age 2 and for people with disabilities who cannot wear a mask, or cannot safely wear a mask, because of the disability.

Persons requesting an exemption must provide proof of medical consultation and medical documentation in advance of boarding.
